10:00 AM PDT

Palomino Lakes Mutual Water Company October 2nd, 2021, Meeting Minutes

PLMWC Board Members:

David Taber, President

Brenda Thomas, Treasurer

Edwin Acosta, Secretary

Community attendees participated via Zoom and conference call. David Taber led the meeting.

- Water options after well stop pumping water
 - i. Study the possibility of buying Bulk potable water.
 - a) Edwin to contact water suppliers from a list of authorized haulers for our area (Sonoma, Mendocino, Lake and Napa County
 - b) <https://www.cdph.ca.gov/Programs/CEH/DFDCS/Pages/FDBPrograms/FoodSafetyProgram/Water.aspx>
 - i. Getting a quote is challenging as most suppliers do not want to give numbers until the day, they sale the water based on the availability to obtain it.
 - ii. XI list provided to the president
 - iii. Continue calling possible vendors
 - ii. Open a new well for ground water. The county cannot oppose as long we follow the guidelines because we have an existing well. It needs to be open in a private property.
 - a) It will be too costly to do this
 - iii. Connect our PLWC well to one or more neighborhood wells so we can fill up our water tanks.
 - a) Need to be explored and consult the County water agency.
- Shutoffs after October 1
 - a) We will review after readings are done and contact repeat offenders before shutoffs.
 - i. Dave Taber will contact them via Phone or email
- Advise the community on Water-saving tips one more time
 - a) David Taber to send email on the following tips
 - i. Physical shutoff of garden systems and pool fillers
 - ii. Gray water
 - iii. Dishwasher vs by hand
 - iv. Bucket in the shower
 - v. NO bricks in toilet
